

IACRN 17th Annual Conference

Virtual Conference

Presentations

Date	Time Start	Time End	Session Name	Presenter
10/15/2025	11:00 AM	11:15 AM	Conference Kick Off-DAY 1	Aris Elides
10/15/2025	11:15 AM	12:30 PM	Opening Keynote Confessing Our Past, Challenging Our Present, Contemplating our Future: A New Call to Action for Clinical Research Nurses 1.25 CE	Dr. Quincy Byrdsong
10/15/2025	12:30PM	1:00PM	Speed Networking Sessions	Moderators/ Riggs
10/15/2025	1:00PM	1:15PM	Break / Visit Virtual Exhibit Hall / Poster Viewing/ Check how to add asynchronous slide show with gratitude grams, disclosure slides, QR codes for committee pages, new website, and LMS and more!	none- asynchronous content
			0.5 CE BREAKOUT SESSION 1 (Choose one – session A, B)	
10/15/2025	1:15PM	1:45PM	SESSION 1A Development and Evaluation of a Gap Analysis Tool to Determine Readiness for Execution of Decentralized and Hybrid Clinical Research Protocols, #4	Amanda Brock
10/15/2025	1:15PM	1:45PM	SESSION 1B Innovative CRN Competency Validation Methods Using the Donna Wright Model, #17	Maryam Dayrit; Mary Myers
10/15/2025	1:45PM	1:50PM	Switch Rooms	
			0.5 CE BREAKOUT SESSION 2 (Choose one – session A, B)	
10/15/2025	1:50PM	2:20PM	SESSION 2A From invisibility to historical legacy: Preserving conference proceedings to secure a lasting record of CRN Practice in the 21st century, #8	Amy Sbrolla; Mary E. Larkin
10/15/2025	1:50PM	2:20PM	SESSION 2B Learning from Lived Experiences: capturing quality of life data in a successful complex clinical trial, #16	Jen Brock
10/15/2025	2:20PM	2:25PM	Switch Rooms	

			0.5 CE BREAKOUT SESSION 3 (Choose one – session A, B)	
10/15/2025	2:25PM	2:55PM	SESSION 3A Innovative and Narrative Tools for Strengthening CRN Identity and Engagement, #13	Hee-eun Ellen Yeo
10/15/2025	2:25PM	2:55PM	SESSION 3B Hit the Refresh Button: Design and Implementation of a Clinical Research Nursing Skills Refresher Day, #21	Caryn Caparrotta
10/15/2025	2:55PM	3:00PM	Switch Rooms	
10/15/2025	3:00PM	4:00PM	Day 1 Closing Plenary: 1.0 CE Title Pending	Professor Frances Shiely
10/15/2025	4:00PM	4:30PM	CCLC Speed Rounds	
10/15/2025	4:30PM	4:40PM	Closing Remarks	Aris Elides
10/15/2025	anytime		Asynchronous Viewing	
			DAY 2	
10/16/2025	11:00 AM	11:15AM	Conference Kick Off	Aris Elides
10/16/2025	11:15AM	12:30PM	Day 2 Opening Plenary: Step Into the Moment: Nurses' Role in Policy-Making 1.25 CE	Rachel Baker
10/16/2025	12:30PM	12:35 PM	Switch Rooms	
			0.5 CE BREAKOUT SESSION 4 (Choose one – session A, B)	
10/16/2025	12:35PM	1:05PM	SESSION 4A Mind the Gap: Exposing Hidden Costs in Clinical Trial Budgets to Protect Operational Integrity, #18	Stacie Merritt
10/16/2025	12:35PM	1:05PM	SESSION 4B Ambulatory Clinical Research Nurse Skills And Education Framework, #20	Amy Sabeau; Robin Azevedo
10/16/2025	1:05PM	1:20PM	Break / Visit Virtual Exhibit Hall / Poster Viewing/ Check how to add asynchronous slide show with gratitude grams, disclosure slides, QR codes for committee pages, new website, and LMS and more!	
			0.5 CE BREAKOUT SESSION 5 (Choose one – session A, B)	
10/16/2025	1:20PM	1:50PM	SESSION 5A Development of a Clinical Research Mentorship Program, #22	Vanessa Young
10/16/2025	1:20PM	1:50PM	SESSION 5B	Jennifer Hedglin; Cameron Keith

			Enhancing Practice Through Simulation: Integrating Simulation into a Clinical Research Nurse (CRN) Orientation Curriculum, #24	
10/16/2025	1:50PM	1:55PM	Switch Rooms	
			0.5 CE BREAKOUT SESSION 6 (Choose one – session A, B)	
10/16/2025	1:55PM	2:25PM	SESSION 6A A Participatory Co-Design Method of Clinical Research Nurse Global Engagement: The Global Connect Forum, #25	Mike Lorrey-Parena; Mary Larkin
10/16/2025	1:55PM	2:25PM	SESSION 6B Microlearning for competency-based clinical research content delivery for CRNs, staff nurses, and clinical research participants, #46	Carolynn Jones
10/16/2025	2:25PM	2:30PM	Switch Rooms	
			0.5 CE BREAKOUT SESSION 7 (Choose one – session A, B)	
10/16/2025	2:30PM	3:00PM	SESSION 7A Artificial Intelligence in Clinical Research: Ethical Imperatives for the Clinical Research Nurse, #29	Charlotte Seckman; Cheryl Fisher
10/16/2025	2:30PM	3:00PM	SESSION 7B Who Is Responsible? Delineating Roles And Responsibilities In The Ambulatory Oncology Setting, #52	Claudia Diamonte
10/16/2025	3:00PM	3:10PM	Switch Rooms	
10/16/2025	3:10PM	4:25PM	Day 2 Closing Plenary: Incidental Findings on Research Scans: The CRN's Role 1.25 CE	Allie Walpert
10/16/2025	4:25PM	4:40PM	Closing Remarks	Aris Elides
			DAY 3	
10/17/2025	11:00AM	11:15AM	Conference Kick Off	
10/17/2025	11:15AM	12:30PM	Day 3 Opening Plenary: The Evolution of the Clinical Research Nurse: Building Evidence, Shaping the Future 1.25 CE	Dr. Linda Tinkler
10/17/2025	12:30PM	12:35PM	Switch Rooms	
			0.5 CE BREAKOUT SESSION 8 (Choose one – session A, B)	
10/17/2025	12:35PM	1:05PM	SESSION 8A The Dual Lens of Care and Compliance: Investigating the Advanced Practice Role of	Yi Jun "Kelly" Chen

			Clinical Research Nurses in Modern Research Settings, #40	
10/17/2025	12:35PM	1:05PM	SESSION 8B Precepting The Future: A Manual Of Procedures Framework For Clinical Research Nurse Education, #46	Tessa Peterson
10/17/2025	1:05PM	1:20PM	Break / Visit Virtual Exhibit Hall / Poster Viewing/ Check how to add asynchronous slide show with gratitude grams, disclosure slides, QR codes for committee pages, new website, and LMS and more!	
			0.5 CE BREAKOUT SESSION 9 (Choose one – session A, B or C)	
10/17/2025	1:20PM	1:50PM	SESSION 9A Transforming Clinical Research Nursing: The Impact of competency-based medical education (CBME) and decentralized clinical trial (DCT) on Role Advancement, #41	Yi Jun "Kelly" Chen
10/17/2025	1:20PM	1:50PM	SESSION 9B Where Is The Nurse? Reestablishing The Role Of The Clinical Trials Nurse At A Comprehensive Cancer Center, #52	Claudia Diamonte
10/17/2025	1:20PM	1:50PM	SESSION 9C Development of a Consent Communication Framework to Support Values-Aligned Enrollment Decision-making in Clinical Research, #54	Sharon McNamara
10/17/2025	1:50PM	2:00PM	Switch Rooms	
10/17/2025	2:25PM	3:50PM	Endnote: The Convergence of Nursing Science and Clinical Research Nursing 1.25 CE	Dr. Patricia Dwyer
10/17/2025	3:50PM	4:05PM	Closing Remarks	Aris Elides

IACRN 17th Annual Conference Virtual Conference Posters

#	Presenter First Name	Presenter Last Name	Poster Name
1	Linda	Pack	Enhancing Peripheral Intravenous Line Success Rates on a Clinical Research and Trial Unit: Implementing an Integrity Method
2	Bernadette	Capili	Team Science Training Needs and Preferences for CRNs and CRPs: A Focus Group Analysis
3	Lauren	Edgar	The Nurse's Role with Decentralized Clinical Trials for Rare Genetic Diseases
5	Thomas	Frazier	Empowering Clinical Research: Leveraging Free and Open-Source Tools to Drive Growth and Efficiency in the Clinical Research Enterprise
9	Rachel	Collins	Integrating Microsoft Office Applications in Clinical Research Nursing: Tools for Optimizing Your Practice
10	Lynne	Bischoff	Benefits of Research Coordinators working in conjunction with Research Nursing
14	Tara	Bresnahan	Cultivating Connections: Strategies Employed to Promote Professional Development for Clinical Research Nurses Within an Academic Medical Center Setting
15	Lauren	Hill	Expanded Rights for Investigational Medicinal Products in Clinical Research Trials
19	Holly	Bookless	Developing a Participant Satisfaction Survey for Research Participants at a Large Academic Medical Center Research Unit
23	Andria	Bonney	Development Of An Intake Nursing Role to Optimize Protocol Implementation Workflows
26	Stephanie	Kinlay	Creation of a Screening and Enrollment Dashboard for Study Management and Comparison
27	Rianne	Cueto	Utilizing Electronic Health Record (EHR) Reporting Tools to Determine Concomitant Medications for Participants Admitted Inpatient
28	Hendriana	Nielsen	Answering The Call For Clinical Research Nurses
30	Christina	Lester	Bridging the Organizational Gap in Clinical Trials: A Study Management Log Built by and for Clinical Research Coordinators

32	Christy	Wheeler	Stress and Fatigue in Clinical Research Nurses: A Study to Explore the Hidden Burden of Inefficient Communication and Query Volume
33	Carla	Croft	Using Epic's Adverse Event Activity: Integrating Research Documentation Into the Electronic Health Record
34	Danielle	Zubka	ss-IND Transitions: Regulatory and CRN Perspectives
36	Yael	Malul	Flushing Investigational Medications: Standardizing Practice on a Direct Care Clinical Research Unit
37	Pamela	Herena	Intentional Collaboration in an NCI Designated Comprehensive Cancer Center: Development of a Clinical Research Nursing Role
38	YU CHEN	YEH	Caring Beyond Protocol: Holistic Nursing Support for a Phase I Trial Participant with Stage IV Triple-Negative Breast Cancer
39	YU CHEN	YEH	Implementing SOPs for Self-Managed Investigational Drugs: Implications for Clinical Research Nursing Practice
42	Lacy	Coviello	From Trial to Treatment: Clinical Research Nurse Practitioner and Clinical Research Nurse Leadership in Continuity of Care
44	Brenna	Elliott	Learning the Research Process: Clinical Education for Management of Oncology Research Trials
47	Catherine	Dempsey	The Role of the Clinical Research Nurse in Facilitating Billing Compliance of Clinical Trials
48	Jung-Chen	CHANG	Adapting Clinical Research Nursing in the Post-COVID Era: Challenges, Transformations, and Future Directions
50	Lacy	Coviello	Promoting Excellence Through Connection and Collaboration: Advancing a Clinical Research Nursing (CRN) Specialty Practice Group
55	Annabelle	Ashley	Addressing the Unique Needs of Research Participants Using a Specialized Nursing Practice and Telehealth Approach
